

Clinch River Trout Fishing Accesses

This map is not intended for navigation, and is not to scale. The map is intended to serve as a quick reference to access points along the river. More detailed, scaled maps are available at The Creel. Remember to check Norris Dam's generation schedule via the resources page on The Creels website (www.creeflyfishing.com). Generation schedules are also available via phone (800-238-2264 press 4, then 17 for Norris Dam).
