

**Lynn Camp Prong Rainbow Removal Work Schedule for 2010**  
**Revised 7-19-10**

1. Please remember all events are weather dependent, as we cannot shock in the rain!
2. Please bring waders that go at least waist high, your own lunch, plenty of water and any other drinks you want.
3. The work will involve assisting in electro-fishing to capture and remove rainbow trout in designated areas of **Lynn Camp Prong**.
4. **Meet at trail head at the end of Tremont Road at 8:15 - 8:30 AM.**
5. Call Charlie Chmielewski as soon as possible on his cell phone (865-661-7325) if something comes up and you cannot come or are running late.
